

Starmont Backpack & Supplies Project

The backpack project is a community outreach program being led by the churches of Strawberry Point, Arlington, and Lamont. Our goal is to help families in need get their children ready for school by providing the necessary school supplies.

- We help preschool through 12th grade.
- This program is for Starmont students only.
- There are no income qualifications.
- Families cannot get supplies from Shepherd of the Hills in St. Olaf if taking advantage of our program.

Please mail the form below to Kay Sheckles, PO Box 185, Strawberry Point, IA 52076 or **you can register by visiting the Starmont Facebook page for online registration.**

All information will be kept confidential.

**Distribution of the supplies will be at the
United Methodist Church in Strawberry Point.**

We ask that you provide your own transportation for pick up.
The churches, community businesses, and members generously donate supplies, gifts of money, and their time in order to make this project possible.
