1. **Go to the website:** <https://www.myschoolsystems.com/starmont>

2. **Log in:**

a. Enter your child's first name and last name and password. The password will be **the child's last name in all lower case letters.**

**\*Please note: Due to limited time available, you will need to schedule joint conferences for students of two family households. We are requesting that custodial parents please contact noncustodial parents to arrange a time that works for both parties.**

3. **Follow the prompts:**

a. Click the button next to the class to schedule or change an appointment.

b. Click on the circle next to the time you would like for your conference. A red X indicates a timeslot that is not available. **After choosing your time, click "Schedule Time" at the bottom of the page** (to save your selection). You will then see a confirmation. You will need to do this process for each student you have in the elementary.
