ISASP Parent Portal

Parents of 2022-2023 3rd-11th Graders:

Iowa's Department of Education has an ISASP Parent Portal. The portal provides secure online access to individual student ISASP results. Rather than printing and sending home paper copies of ISASP reports, parents are asked to login to the ISASP Parent Portal to view their student's Spring 2023 ISASP report.

When logging in, families will need to first create an account for the portal and then enter the student's name and date of birth, along with the student's **claim code**, in order to access the results. The claim code is located within PowerSchool under Other Information.

You can access the claim code by:

- Logging into PowerSchool at [Starmont Powerschool](#).

- Once logged in to PowerSchool, scroll down and select "Other Information" at the bottom of the left-hand column as shown in the screenshot below.

The claim code is found at the bottom of the list on the Other Information page as shown below.
