Dear Starmont Families,

With the switch to our new system, School Messenger, we ask that if your student wants to receive the messages from us, you log into their Powerschool account and add their phone number under student cell.

The directions to do this:

Log into your Powerschool account

Click on **Forms**

Click on **Student Demographics**

Add number under **Student Cell Phone**

Click **Submit** at the bottom to save the change

While in there please make sure the parent/guardian email and phone number are up to date as well.

At this time, we are only up and running with email and phone calls to people in Powerschool, soon the text feature will be added, as well as a community piece for people not in Powerschool. More information will come regarding the community piece.

Thank you!
